Stephanie,

I have attached the policy submitted by Anderson County. This is what we have received from almost every county that has responded so far.

Give me a call if you need to discuss!

Thanks!

Hey Emma!
Do you have any other districts policies relating to SB 150 that you'd mind sharing? I'd be interested to see how other districts are addressing this with dual credit. We did not get any guidance from the KSBA policy update, so I was curious how others are approaching this.

Here's the policy that we have that is the same, from KSBA. It is in the policy manual that Steve is on the process of getting board approved. Just an FYI so we can get back to Emma Gibbs at BCTC.

It is time to complete the last Social-Emotional Learning (SEL) screener for the year. It should not take you more than 15 minutes (or less if you completed the winter screener). Please have this completed by Friday, May 12th.

Screener Directions

Please follow these steps:

1. To locate your sheet search your last name 3rd period: SEL Universal Screener in your Google Drive. (Ex: CRAIG 3rd Period: SEL Universal Screener.)
2. Go to the *SPRING SCREENER* tab on your SEL spreadsheet.
3. Enter the date you are completing the screener.

From what I understand the teachers are filling out the screener rating the students. The student has no knowledge or participation. Please let me know if this is not correct.

Good morning-

It is time to complete the last Social-Emotional Learning (SEL) screener for the year. It should not take you more than 15 minutes (or less if you completed the winter screener). Please have this completed by Friday, May 12th.

Screener Directions

Please follow these steps:

1. To locate your sheet search your last name 3rd period: SEL Universal Screener in your Google Drive. (Ex: CRAIG 3rd Period: SEL Universal Screener.)
2. Go to the *SPRING SCREENER* tab on your SEL spreadsheet.
3. Enter the date you are completing the screener.
4. Type your name.
5. Enter your homeroom/3rd-period student names. This will include students who are in the resource room. Please collaborate with their case managers to rate them.
6. Enter student id numbers. These can be found on Infinite Campus.
7. Give each student a score for all 12 questions using the scale on the spreadsheet. It won't take long, I promise.
8. You are finished ;)

Please let me know if you have any questions. Thanks!

Here is an example of the universal SEL screener.

Many districts across the state use this or something similar so I would love to know how everyone is tackling this with the SB150.

SB 150 has no bearing if the teacher is rating the student.
